All Bear Creek grade 9 students are invited to attend our Link Crew Orientation for the 2021/22 school year.

You will meet your Link Crew Leaders, who will be there to support you throughout grade 9!

You will receive an email and a phone call from your Link Crew Leader a day or two before our virtual orientation that will give you more details on how to log in, as well as what you'll need that day.

YOU DON'T WANT TO MISS IT!

You will need to get online, preferably with a laptop or desktop. The ideal is that you have a camera so everyone can see each other and participate in the activities!

**We are excited that you will be soon be
Bear Creek Kodiaks!**

If you have any questions, you can email Ms Ketcheson at sketcheson@scdsb.on.ca or post in the Google Classroom!
