Communication to families regarding inclement weather days

Please note that APM A3020 – Inclement Weather, 3.1.2 states that “parents/guardians are to be reminded, in writing at appropriate times (October and January) each school year, that it is their responsibility to decide whether or not it is safe for their child(ren) to leave for school under severe weather conditions.”

Inclement weather and bus cancellation information reminder

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at www.simcoecountyschoolbus.ca. Our school is in the **Central School zone**. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter [@SCSTC_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here: <https://scstc.ca/Subscriptions/Login.aspx>.

Community Hours for Graduation

The Ministry of Education has announced that as of September 1, 2023, the guidelines around Community Involvement Hours are returning to what they were pre-pandemic. Please check the link below for reference:

<https://www.ontario.ca/document/education-ontario-policy-and-program-direction/policyprogram-memorandum-124>

Any student who completed hours this summer still fall under the pandemic exceptions.

School bus transportation information available from the SCSTC

In order to receive delay and cancellation notifications, families can check the Simcoe County Student Transportation Consortium (SCSTC) website at www.simcoecountyschoolbus.ca or download the 'BusPlanner Delays' app from the Apple or Android app stores to receive delay notifications to their devices. Users would need to select Simcoe County STC as the transportation authority. The app will need to be forced closed, but you will be able to select your student(s) routes or school to receive delays.

The app will send a general notice for any cancellation in Simcoe County. You only need to know which 'zone' you're in, so you would know which one to look out for in the app. You can find your student's zone by visiting the School Bus Status page at www.simcoecountyschoolbus.ca and clicking the dropdown for the area you live in.

School Bus Safety Week and School Bus Driver Appreciation Day

School Bus Safety Week takes place Oct. 16 to 20, 2023. Please visit the Simcoe County Student Transportation Consortium (SCSTC) website at main.simcoecountyschoolbus.ca for information on school bus safety and links to school bus safety resources. Oct. 19, 2023 is School Bus Driver Appreciation Day in the province of Ontario. It's a great opportunity for the school community to thank our bus drivers for all their hard work transporting students

to and from school safely.

Get on the move

There are many benefits to walking or wheeling to school. Walking or wheeling to school reduces traffic, helps students establish healthy lifestyles, is better for the environment and enhances community safety. Wherever possible, we encourage students within walking zones to *get on the move* and walk or wheel to school. For more information please visit the Simcoe Muskoka District Health Unit website here: bit.ly/3OC4CJ9

Revised 2023 Ontario Language Curriculum

Beginning this school year, all language programs for Grades 1-8 will be based on the expectations of the revised Ontario Language Curriculum. The Ontario Curriculum, Grades 1 to 8: Language, 2023 outlines the knowledge and skills required for effective reading and writing, listening, and speaking so students can succeed at school and beyond. The curriculum has been revised partly in response to the recommendations outlined in the Ontario Human Rights Commission's Right to Read public inquiry report.

The 2023 curriculum now includes four strands:

1. Literacy Connections and Applications
2. Foundations of Language
3. Comprehension: Understanding and Responding to Texts
4. Composition: Expressing Ideas and Creating Texts
